

THE ANCHORS

EDGARTOWN
COUNCIL ON AGING
OCTOBER 2011

A few words
from the Administrator..

Our 2011 summer Program Survey was a smashing success, thanks to all who helped by completing and returning the survey questionnaires. Your responses were thoughtful and intelligent, and as a result we have collected some wonderful ideas and suggestions for new services, programs, and events.

Computer classes and movies are two of many new items which will appear on our fall calendar. Our \$2 Tuesday and \$5 Friday lunches prepared by our fabulous cook, Diane, remain enormously popular and will continue to be available, more delicious than ever.

Our survey produced a few more ambitious proposals, including a swimming pool, hot tub spa, and a beauty parlor (I'm kidding about the beauty parlor!). One of my favorites: "...A miracle to give us more parking!" More parking would be very nice, indeed. Let's hope it does not take a miracle.

Your humble Administrator underestimated the demand for a lending library, and so we shall soon re-create an area for donating and lending books, the new location to be more accessible, nearer to our dining area.

Without exception, the surveys were very complimentary to the Anchors staff, affectionately known as "The Anchorettes." It is rewarding and gratifying to know our COA is a friendly, helpful, caring environment in which you choose to spend your time. It is a tribute to all of us here who work hard to serve you and make the Anchors so successful.

We wish you a healthy, happy fall season and we look forward to seeing you at the Anchors.
